Christopher Haugen is a tough, thoughtful litigator who works hard to achieve great results for his clients in all manner of business disputes. He has been named to Minnesota Super Lawyers® list as a Rising Star, which recognizes the top 2.5% of lawyers in the State.

Chris litigates a wide variety of cases including: shareholder/closely-held business disputes: data breach. cvbersecuritv and privacv cases: contract. emplovmnt.

intellectual property, and real estate matters; and other business torts. He also advises clients related to data privacy and cybersecurity compliance issues, and sits on the Firm's Data Privacy Advisory Committee. He is driven to first understand his clients' objectives and then craft an effective legal strategy to match. He has experience in all phases of litigation and has obtained favorable results on behalf of clients in state and federal court.

Prior to joining the firm, Chris practiced at Anthony Ostlund and Bassford Remele in Minneapolis, Minnesota, where he represented clients in diverse matters including business/commercial litigation, professional liability, construction litigation, products liability, and personal injury.
